Project Location:

The new recycled water reservoir and pump station would be located at the WWTP's parcel along Nevada Street at Assessor's Parcel Number (APN): 029204136, and address at 1950 Nevada St, Redlands, CA 92373. The reservoir and pump station will be on the empty lot west of the existing sludge beds on the facility site. The Project is located on the U.S. Geological Survey (USGS) Redlands, California 7.5-minute topographic quadrangle, Township 1 South, Range 3 West. The Project site is zoned as Educational and Public Institutional (E, EV/PI) and has a General Plan land use designation as Public/Institutional.

Project Description:

The City of Redlands Municipal Utilities and Engineering Department proposes the construction of a 2.75 MG recycled water reservoir and pump station. The water reservoir and pump station will be constructed on the empty lot west of the existing sludge drying beds, at the southeast corner of Mills Street and Nevada Street within the City's Wastewater Treatment Facility.

Public Review Process:

This is to advise that there is no substantial evidence of any potentially significant environmental effects from the Proposed Project, and the City of Redlands has determined that a Mitigated Negative Declaration is the appropriate CEQA environmental determination for the Project. The City Council of the City of Redlands will hold a public hearing at a future noticed public meeting (date to be determined) to discuss and make a decision on the above-referenced Project -or- recommendation to the City Council on the above-referenced Project. After public review of the Initial Study is completed, the City may propose to adopt a Mitigated Negative Declaration in accordance with the CEQA Guidelines.

The Initial Study, Project plans, and related documents are available for public review at the Municipal Utilities and Engineering Department website at <https://www.cityofredlands.org/environmental-documents>.

The City Council public hearing for this Project has not yet been scheduled. Please contact the staff member below for further information about project status or a hearing date.

How to Submit Comments:

The proposed Initial Study/Mitigated Negative Declaration will be available for public review and comment from September 2, 2025, to October 2, 2025. Any comments you wish to submit should be submitted in writing no later than 5:30 p.m. on October 2, 2025, to the City of Redlands Municipal Utilities and Engineering Department.

Written comments should be submitted via e-mail to: gdobey@cityofredlands.org
