EXPLORER POST 261

To Future Explorers:

The City of Redlands Fire Department would like to welcome you. We hope that you will be successful in becoming a member of our program.

As an Explorer, you will be required to make many commitments. There are many hours of training required to maintain your active status within the program. You will need to consistently maintain at least a 2.5 grade point average at school and must be in good standing within the community. There are also some financial requirements that you will need to consider.

Enclosed you will find an Explorer Application, a City of Redlands Waiver, and a list of expenditures that you will incur once you have become an Explorer. We ask that you and your parents read over these papers together and complete the necessary documentation.

Although it may seem there are many requirements placed upon you, we believe that you will find our program very enjoyable and rewarding. We hope to see you in the future and wish you the best of luck in becoming a City of Redlands Fire Explorer.

Sincerely,

Firefighter Jovan Fierro
Explorer Advisor
