**Description:** This project will involve replacing approximately 7 miles water pipeline at various locations throughout the City including 2 miles of transmission line called "Highline".

**Start Date:** 03/3/25

**Anticipated End Date:** March 2026

**Work Schedule:** M-F (7AM - 4PM) excluding city recognized holidays. If necessary, night hours M-F (9PM - 6AM).

### CONSTRUCTION PROGRESS

### Project Updates & Issues

Final paving operations have been completed. The Contractor will be working on hydrant tie-overs on Citrus Avenue this week.

### 2-Week Look Ahead

Downtown work is near completion with one tie-in remaining on 5th Street and hydrant tie-overs on Citrus Avenue. Completion of the remaining work is currently being scheduled.

### Current Construction Process

Final paving has been completed. A limited amount of remaining work is currently being scheduled. If temporary water shutdown is necessary, notices will be provided at least 48 hours in advance of any construction activities in your area.

**Paving operations on 6th Street.**
