## MUSEUM OF REDLANDS “SNEAK PEAK”

FREE | AGES 18+

Dr. Nathan Gonzales, Archivist at the A.K. Smiley Public Library, will provide an inside look at the new Museum of Redlands. He will briefly walk through the 27-year history of the project, discuss how the current iteration evolved, and share the exhibition concepts that visitors will experience once the museum opens.

The museum will house historical treasures that will bring our region's past to life as well as traveling exhibits. Among the initial exhibitions will be a "Hometown Heroes" series, which will highlight people from all walks of Redlands' past who have made a difference in the community in some way.
