Time Off for Association Reps: The Association may designate up to seven (7) representatives to attend Association meetings on City time, including new employee orientations, provided that no designated Unit employee shall be released for more than four (4) hours per month. The time must be scheduled in advance and the supervisor must be notified.

New Employees: The City agrees to furnish each new employee in the bargaining unit with a copy of the MOU at the commencement of his/her employment.

Orientations: In accordance with Government Code §3555 3559, the City shall provide written notice to Association Representatives when a new employee is hired or promoted into the bargaining unit and provide reasonable release time for an Association Representative to meet with the new employee for the purpose of discussing membership in the Association. This new employee orientation should take place as promptly as possible on or after the first day of employment. New employees shall be advised of the potential release of personal information, identified in Demographic Reports, below, and shall have the option to request in writing to Human Resources that the City refrain from disclosing such personal information.

Demographic Reports: In accordance with Government Code §3555 3559, the City shall provide to Association Representatives the name, hire date, job title, department, work location, work, home, and personal cellular telephone numbers, personal email addresses on file with the City, and home address of any newly hired employee within 30 days of the date of hire or by the first pay period of the month following hire, and the City shall also provide to Association Representatives with a list of that information for all employees in the bargaining unit at least every 120 days. The City shall provide the information identified herein regardless of whether the newly hired employee was previously employed by the City. Pursuant to Gov. Code 6254.3(c), an employee may request that the City refrain from disclosing the employee's home address, home telephone number, personal cellular telephone number, personal email address, or birth date to the Association upon written request to Human Resources.

Visits by Association Representatives: Accredited representatives of the Association will be granted reasonable access to City facilities and employees for purposes of investigation of grievances and official Association business, provided Association representatives shall provide twenty-four (24) hours advance notice to the supervisor in charge of the work area that is being visited. Such visits shall not interfere with normal operation of the department. In case of an emergency, the twenty-four (24) hour advance notice will not be required, provided the Association representative provides advance notice to the supervisor in charge as soon as reasonably possible.

Contract Negotiations: The negotiating team for the Association, to be comprised of no more than five (5) employees, shall be permitted to attend negotiating sessions during work hours with pay. There shall be no compensation for meetings held outside scheduled work hours of members of the bargaining team.

Dues Deduction: The City shall deduct dues on a regular payroll basis from the pay of all Association members. Such deductions shall be authorized in writing on a form approved and provided by the Association for this purpose. The membership forms shall be retained by the Association. The City shall rely on a certification from the Association for the authorization, modification, or cancellation of any/all dues deductions. The City shall remit such funds to the Association within thirty (30) days following their deduction.

In accordance with SB 866, Gov't Code §1157.12, the City shall rely on a certification from the Association Representatives requesting a deduction or reduction that they have and will maintain an authorization,

signed by the individual from whose salary or wages the deduction or reduction is to be made. An Association that certifies that it has and will maintain individual employee authorizations shall not be required to provide a copy of an individual authorization to the City unless a dispute arises about the existence or terms of the authorization. The employee organization shall indemnify the City for any claims made by the employee for deductions made in reliance on that certification.

The City shall direct employee requests to cancel or change deductions to the Association. The City shall rely on information provided by the Association regarding whether deductions for Association membership were properly canceled or changed, and the Association shall indemnify the City for any claims made by the employee for deductions made in reliance on that information. Deductions may be revoked only pursuant to the terms of the employee's written authorization, Association Bylaws, and this MOU.

In accordance with SB 866, Gov't Code §3550-3553, the City shall not deter or discourage employees or applicants from becoming or remaining members of the Association, or from authorizing representation by the Association, or from authorizing dues or fee deductions to the Association.

The Counseling Team International

For as long as the Police Department provides The Counseling Team International for EAP services, RCSEA members who work in the Police Department may utilize The Counseling Team International for counseling services in lieu of the City's EAP program.

- A. The City agrees to the following: Unit employees shall be entitled to two (2) daily rest periods ten (10) to fifteen (15) minutes in duration which insofar as practical shall be in the middle of each work period. The rest periods shall be considered as time worked. Employees required to work beyond their regular tour of duty shall be granted a ten (10) minute rest period for each two (2) hours of work.
- B. The Association understands and agrees to the following. With regard to break periods, the following scenarios should not occur:
 - 1. Combining two daily breaks into one 20-30 minute break.
 - 2. "Banking" breaks from day to day.

Confidentiality regarding a Unit employee's use of this program will be maintained in full compliance with State and Federal Regulations.

Article 41. LEAVE TIME REPORTING

Leave time may be used and reported in increments of fifteen (15) minutes.

Article 42. DRIVER'S LICENSE PHYSICAL EXAMS

The City will pay for the required physical examination for Unit employees required by their job classification to maintain Class A or Class B driver's licenses. Time spent participating in the required physical examination will be considered as time worked.

Article 43. EMPLOYMENT EXAMINATION PROCEDURES

The examination procedure for all City jobs will be as established by the City and Association.

Article 44. PROBATION

- A. Unit employees newly hired shall serve a probationary period of twelve (12) months.
- B. Unit employees who are promoted shall serve a probationary period of six (6) months.
- C. Probationary periods may be extended as set forth in the City's Personnel Rules and Regulations.

Article 45. WORKWEEK / WORK SCHEDULE

The work schedule represents the time that an employee is regularly scheduled to work. The Department Director shall establish the actual number of hours which comprise the standard tour of duty for each position. Any proposed change shall be communicated to the Unit employees and the Association at least two (2) weeks prior to the proposed change being implemented, unless mutually agreed upon between the employee and supervisor or in the case of exigent circumstances. If requested by the Association, the City shall expeditiously meet and confer regarding such change.

Article 46. PROMOTIONAL POSITIONS

- A. The City may seek only promotional candidates to fill available positions. In this case, distribution of job announcements shall be limited to internal sources. Promotional candidates shall follow the procedures identified in the City's Personnel Rules and Regulations. Unit employees appointed to promotional positions shall complete a probationary period in accordance with the City's Personnel Rules and Regulations.
- B. Unit employees appointed to a promotional position shall receive the nearest highest monthly salary which is at least five percent (5%) higher than the employee's previous base salary, but in no case more than the top step of the new salary range.

Article 47. NO STRIKE PROVISION

It is understood and agreed that the service performed by Unit employees are essential to the public's health, safety, and welfare. Therefore, the Association agrees that it will not authorize, instigate, aid, condone, or engage in any strike, work stoppage, or other action of the City. In the event of a violation of this section, the Association agrees to take affirmative steps with the Unit employees concerned to bring about an immediate resumption of normal work. Should there be a violation of this section, there shall be no discussion or negotiations regarding the difference or dispute during the existence of such violation or before normal work has been resumed. The City reserves the right to terminate any Unit employee who instigates or engages in any strike or work stoppage which interrupts or interferes with the operation of the City.

Article 48. DIRECT DEPOSIT

Direct deposit of employee paychecks will be available to Unit employees.

Article 49. PERSONNEL FILE

- B. Any Unit employee, upon request, shall have access to his/her personnel file, and shall have the right of reproduction, at cost, of his/her personnel file in full or in part. No portion of an employee's personnel file shall be transmitted to anyone other than the City Manager, Human Resources Director, Department Director, Risk Management Administrators, or by Court subpoena. The employee is to be notified at the time of the request that the information has been transmitted and to whom it was sent.

Article 51. RULES, REGULATIONS AND RESOLUTIONS

The City agrees to review annually with the Association major changes in the Personnel Rules and Regulations and to make available copies of the rules and regulations to all employees. Salary resolutions shall be furnished to the Association and all Unit representatives.

Article 52. DISCIPLINARY PROCEDURE

A. THE INVESTIGATORY INTERVIEW PROCESS

Prior to any investigatory interview or consultation between a Unit employee and the Department Director or City Manager, that could reasonably be construed to result in disciplinary action against the employee, the employee shall be given notice of the interview or consultation as soon as reasonably practical, and shall be advised of his or her right to representation under this section; and upon request shall be afforded an opportunity to contact and consult privately with a representative of the Association. If requested, the employee may have an Association representative present during

any such investigatory interview or consultation, and, to the extent practicable, such interviews or consultations shall be conducted during an employee's working hours. Only those persons reasonably necessary to the conduct of the interview shall be present.

The Unit employee or the City may elect to record any such investigatory interview or consultation, unless the City and the employee and the Association mutually agree not to record such interview or consultation; however, in the event the City elects to record such an interview or consultation, it shall upon request provide the employee with a copy of said recording. The cost of providing a copy of the recording to the employee shall be borne by the employee.

B. DISCIPLINARY PROCEDURES

No non-probationary Unit employee shall be disciplined without cause. A promotional probationary employee who is subject to discipline as defined by City rules and regulations, shall retain the right to challenge the action in the same manner as a non-promotional employee who has successfully completed the probationary testing period. Rejection from a probationary promotional position is not "disciplinary action" as described herein, and is not subject to appeal or any other challenge. Disciplinary action shall be defined to include: oral warnings, written reprimands, suspensions, demotions (non-probationary), reduction in pay and discharge. Oral and written reprimands may be initiated at the supervisor/Division Manager level. Disciplinary action more serious than a written reprimand must be initiated at the Department Head level.

1. Notice of Proposed Action

Whenever a Unit employee is to be discharged, suspended (for more than five (5) working days) demoted (non-probationary), or reduced in step, for disciplinary purposes, written notice of at least five (5)¹ days of the proposed disciplinary action shall be given before such action is to be taken and must include:

- a. Notice of proposed action;
- b. Reasons for proposed action;
- c. A copy of charges stating specific incidents or specific courses of conduct, e.g. as evidenced by work performance evaluations, and a copy of the written materials upon which the decision to take proposed disciplinary action is based; and
- d. A notice to the employee of the right to respond in writing or orally within the five (5) day period.

In the case of a suspension of five (5) working days or less, the foregoing procedures shall be afforded the employee either before or during the suspension, or within a reasonable time thereafter.

2. Limitations and Exceptions

- a. Oral notice is insufficient as full notice to a Unit employee and may be given only as the initial notice in extraordinary circumstances which call for immediate action.
- b. Prior written notice is required in each case, unless provided otherwise herein, regardless of seriousness unless extraordinary circumstances are involved.

¹ Unless specifically noted to be "working days," any reference to days is calendar days.

- c. Unit employees may be suspended without prior written notice in extraordinary circumstances when it is essential to avert harm to the public, other employees, or to avert serious disruption of governmental business. The appointing authority may schedule an employee for vacation or holiday leave as the circumstances may warrant. Extraordinary circumstances include but are not limited to situations involving misappropriation of public funds or property; working while under the influence of alcohol or intoxicating drugs; open insubordination; commission of a crime involving moral turpitude punishable by imprisonment for six (6) months or more; and disruption of City business through willful misconduct (altercations, etc.)
 - d. Oral notice is insufficient as full notice for proposed disciplinary action. In extraordinary circumstances when immediate suspension, demotion, removal, or reduction in step is warranted, initial notice may be given orally. The Unit employee should be told when the initial action is taken what the reasons for the actions are and, in addition, the employee will have an opportunity to respond in writing and/or orally to those charges. The written charges in the case of an immediate disciplinary action must be prepared as soon as possible and normally within a day or two (2) of the initial oral notice.
3. A Unit employee's Response to Proposed Discipline
- a. An employee receiving a Notice of Proposed action shall have the right to respond to the Department Director. An employee's opportunity to respond to the Department Director is not intended to be an adversarial hearing. An employee has the right to have a representative of his/her own choosing at the meeting. The employee shall not be accorded the opportunity to cross-examine a department's witnesses, nor to present a formal case in opposition to the proposed discipline. However, the limited nature of this response does not obviate the Department Director's responsibility to initiate further investigation if the employee's version of the facts raises doubts as to the accuracy of the Department Director's information leading to the discipline proposal. An employee may elect not to respond, thereby waiving any further pre-disciplinary response.
 - b. The Department Director will evaluate the proposed discipline in light of the Unit employee's response, if any. Within ten (10) days of the employee's response, or deadline for response, a decision will be transmitted in writing to the employee. Service of the decision will be in person or by mail.
4. City Manager Level Appeal
- 1. Any permanent Unit employee shall have the right to appeal any termination, suspension, reduction in salary, or non-probationary demotion. The appeal process shall not be applicable to those positions which may be deemed exempt or to probationary employees. The appeal process shall not be applicable to verbal and written reprimands, probationary demotions, performance evaluations and denial of performance increases. An employee desiring to appeal the Department Director's decision shall have ten (10) days after receipt of the response to file an appeal. The employee's request for appeal must be addressed to the City Manager and received in the City Manager's office so that same is date stamped by the City Manager's office within the ten (10) day period.

2. If, within the 10-day appeal period, the employee involved does not file said appeal, unless good cause for the failure is shown, the action of the Department Director shall be considered conclusive and shall take effect as prescribed. If within the ten (10) day appeal period, the employee involved files such notice of appeal by giving written notice of appeal to the City Manager, an appeal meeting shall be scheduled.
 3. The meeting with the City Manager shall be conducted in the same manner as the Response to Proposed Discipline set forth in paragraph 3(a) above.
 4. The City Manager will evaluate the discipline in light of the employee's response, if any. Within ten (10) days of the employee's response a decision will be transmitted in writing to the employee. Service of the decision will be in person or by mail.
5. Advisory Arbitration
- a. A Unit employee desiring to appeal the City Manager's decision shall have ten (10) days after receipt of the response to file an appeal. The employee's request for appeal must be addressed to the City Manager and received in the City Manager's office so that same is date stamped by the City Manager's office within the ten (10) day period.
 - b. If, within the 10-day appeal period, the employee involved does not file said appeal, unless good cause for the failure is shown, the action of the City Manager shall be considered conclusive and shall take effect as prescribed. If within the ten (10) day appeal period, the employee involved files such notice of appeal by giving written notice of appeal to the City Manager, an appeal hearing shall be established as follows:
 - i. The California State Mediation and Conciliation Service shall be requested to submit a list of seven (7) persons qualified to act as hearing officers to the City and the employee. Within ten (10) days following receipt of the list of hearing officers, the parties shall confer to select the hearing officer. The parties shall alternately strike one (1) name from the list of hearing officers (the right to strike the first name to be determined by lot) until one (1) name remains, and that person shall be the hearing officer.
 - ii. Where practicable, the date for a hearing shall not be less than twenty (20) days, nor more than sixty (60) days, from the date of the filing of the appeal with the City Manager. The parties may stipulate to a longer or shorter period of time in which to hear the appeal. All interested parties shall be notified in writing of the date, time, and place of hearing.
 - iii. All hearings shall be private provided, however, that the hearing officer shall, at the request of the employee, open the hearing to the public.
 - iv. Subpoenas and subpoenas duces tecum pertaining to a hearing shall be issued at the request of either party, not less than seven (7) days, prior to the commencement of such hearing. After the commencement of such hearing, subpoenas shall be issued only at the discretion of the hearing officer.
 - v. The hearing need not be conducted in accordance with technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which reasonable persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rules which might make

improper admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions, and irrelevant and unduly repetitious evidence shall be excluded. The hearing officer shall not be bound by technical rules of evidence. The hearing officer shall rule on the admission or exclusion of evidence.

- vi. Each party shall have these rights: To be represented by legal counsel or other person of his/her choice; to call and examine witnesses; to introduce evidence; to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination; to impeach any witness regardless of which party first called him/her to testify; and to rebut the evidence against him/her. If the employee does not testify in his/her own behalf, he/she may be called and examined as if under cross-examination. Oral evidence shall be taken only on oath or affirmation. A court reporter will be engaged to record the hearing, unless the parties (City, hearing officer, employee/employee representative) mutually agree that same is not necessary.
- vii. The hearing shall proceed in the following order, unless the hearing officer, for special reason, otherwise directs:
 - 1. The party imposing discipline shall be permitted to make an opening statement;
 - 2. The appealing party shall then be permitted to make an opening statement;
 - 3. The party imposing disciplinary action shall produce the evidence on his/her part; the City bears the burden of proof and burden of producing evidence;
 - 4. The party appealing from such disciplinary action may then open his/her defense and offer his/her evidence in support thereof; the employee bears the burden of proof and the burden of producing evidence for any affirmative defenses asserted;
 - 5. The parties may then, in order, respectively offer rebutting evidence only, unless the hearing officer for good reason, permits them to offer evidence upon their original case;
 - 6. Closing arguments shall be permitted and written briefs may be permitted at the discretion of the hearing officer.
- i. The hearing officer shall determine relevancy, weight, and credibility of testimony and evidence. He/she shall base his/her findings on the preponderance of evidence. During the examination of a witness, all other witnesses, except the parties, shall be excluded from the hearing unless the hearing officer, in his/her discretion, for good cause, otherwise directs. No still photographs, moving pictures, or television pictures shall be taken in the hearing chamber during a hearing. The hearing officer, prior to or during a hearing, may grant a continuance for any reason he/she believes to be important to reaching a fair and proper decision. The hearing officer shall render his/her judgment as soon after the conclusion of the hearing as possible and in no event later than thirty (30) days after conducting the hearing. His/her decision shall set forth which charges, if any, are sustained and the reasons therefore. The opinion shall set forth findings of fact and conclusions.
- i. The hearing officer may recommend sustaining or rejecting any or all of the charges filed against the employee. He/she may recommend sustaining, rejecting, or modifying the

disciplinary action invoked against the employee. He/she may not recommend discipline more stringent than that issued by the City Manager.

- ii. The hearing officer's opinion and recommendation shall be filed with the City Council, with a copy sent to the charged employee, and shall set forth his/her findings and recommendations. If it is a dismissal hearing and a dismissal is not the hearing officer's recommendation, the opinion shall set forth the date the employee is recommended to be reinstated and/or other recommended action. The reinstatement date, if appropriate, may be any time on or after the date of disciplinary action.
- iii. Within sixty (60) days of the receipt of the hearing officer's findings, recommendation, and transcript, the City Council shall adopt, amend, modify or reject the recommended findings, conclusions, and/or opinions of the hearing officer. Prior to making a decision which modifies or rejects the recommendation of the hearing officer, the City Council shall order and read the transcript of the hearing. Prior to making a decision which supports the hearing officer, the City Council may order and read the transcript, at its option. The City Council shall not conduct a de novo hearing. The City Council may, at its option, allow limited oral arguments and/or may request and review written statements from either side. The decision of the City Council shall be final and conclusive. Copies of the City Council's decision, including the hearing officer's recommendation(s), shall be filed where appropriate, including the employee's personnel file, unless no discipline is upheld by the City Council.
- iv. Each party shall equally bear the cost and fees of the hearing officer, the cost of facilities, the court reporter and transcripts. Each party shall bear its own witness and attorney fees. If either party unilaterally cancels or postpones a scheduled hearing, thereby resulting in a fee charged by the hearing officer or court reporter, then the party responsible for the cancellation or postponement shall be solely responsible for payment of that fee. This process shall not apply to mutual settlements by the parties which result in a hearing officer fee.
- v. In the case of suspension, demotion, reduction in salary, or dismissal prescribed by the City Council, the time of such suspension, demotion or dismissal shall be effective from the first day after such delivery of said decision or shall relate back to and be effective as of the date the employee was disciplined pending hearing before and decision by the City Council, whichever is applicable. If discipline imposed resulted in loss of pay, and the decision results in reduction or elimination of loss of pay, the pay loss shall be restored to the employee based on the number of standard work hours lost computed at his/her then base hourly rate.
- vi. The provisions of Section 1094.6 of the Code of Civil Procedure shall be applicable to proceedings under this Section.

Article 53. *GRIEVANCE PROCEDURE*

A. Definition

A "grievance" is a formal, written allegation by a grievant that he/she has been adversely affected by an existing violation, misinterpretation or misapplication of the specific provisions of the

Memorandum of Understanding, provisions of the Personnel Rules and Regulations, and/or written City Policy. Other matters for which a special method of review is provided by law, ordinance, resolution, or by administrative regulations and procedures of the City, are not within the scope of this procedure. This procedure is not to be used in lieu of the Disciplinary Appeal Procedure.

B. Procedure

1. Every effort shall be made to resolve a grievance through discussion between the Unit employee and his/her immediate supervisor. It is the spirit and intent of this procedure that all grievances are settled quickly and fairly without subsequent discrimination against employees who may seek to adjust a grievance. Every effort should be made to find an acceptable solution at the lowest level of supervision. Within fifteen (15) days² after a grievant knew, or by reasonable diligence should have known, of the condition upon which a grievance may be based, the grievant shall attempt to resolve it by an informal conference with the grievant's immediate supervisor. A supervisor shall render a verbal decision within seven (7) days of the conclusion of the informal conference.
2. If the problem cannot be resolved between the employee and the supervisor, the employee may, within seven (7) days from the date of receiving the answer from his/her supervisor, file a written grievance and request a meeting with the Division Manager, if one exists, in order to discuss the grievance. The written grievance shall contain the following information:
 - a. Name of grievant and job title;
 - b. Department/Section;
 - c. Clear and concise statement of the nature of the grievance including the circumstances and dates involved;
 - d. The specific provision(s) of the MOU, City Policy or Personnel rules alleged to have been violated;
 - e. Requested remedy;
 - f. Name of the grievant's Labor Representative, if any; and
 - g. Date and signature of the grievant or Labor Representative.
3. The Division Manager shall render a decision and comments in writing and return them to the grievant within ten (10) days after receiving the written grievance.
4. If the Division Manager and employee cannot reach a solution to the grievance (or if a Division Manager does not exist), the employee may, within seven (7) days from the date of receiving the answer from the Division Manager, request, in writing, a meeting with the Department Director.
5. The Department Director shall render his/her decision in writing within fifteen (15) days of receiving the appeal. If the Department Director and employee are unable to arrive at a satisfactory solution, the employee may, within ten (10) days from the date of the decision by the Department Director, submit a written appeal to the Human Resources Director.
6. The City Manager shall review the grievance and respond to the employee within twenty (20) days of receiving the appeal. The response shall be in writing.

² Days refer to calendar days.

7. An employee desiring to appeal the City Manager's decision shall have ten (10) days after receipt of the response to file an appeal. The employee's request for appeal must be addressed to the Human Resources Director and received in the Human Resources office so that same is date stamped by the Human Resources office within the ten (10) day period.
8. If, within the 10-day appeal period, the employee involved does not file said appeal, unless good cause for the failure is shown, the grievance shall be considered conclusive as set forth in the City Manager's decision and shall take effect as prescribed. If within the ten (10) day appeal period, the employee involved files such notice of appeal by giving written notice of appeal to the Human Resources Director, an appeal hearing shall be established as follows:
 - a. The California State Mediation and Conciliation Service shall be requested to submit a list of seven (7) persons qualified to act as hearing officers to the City and the employee. Within ten (10) days following receipt of the list of hearing officers, the parties shall confer to select the hearing officer. The parties shall alternately strike one (1) name from the list of hearing officers (the right to strike the first name to be determined by lot) until one (1) name remains, and that person shall be the hearing officer.
 - b. Where practicable, the date for a hearing shall not be less than twenty (20) days, nor more than sixty (60) days, from the date of the filing of the appeal with the Human Resources Director. The parties may stipulate to a longer or shorter period of time in which to hear the appeal. All interested parties shall be notified in writing of the date, time, and place of hearing.
 - c. All hearings shall be private provided, however, that the hearing officer shall, at the request of the grievant, open the hearing to the public.
 - d. Subpoenas and subpoenas duces tecum pertaining to a hearing shall be issued at the request of either party, not less than seven (7) days, prior to the commencement of such hearing. After the commencement of such hearing, subpoenas shall be issued only at the discretion of the hearing officer.
 - e. The hearing need not be conducted in accordance with technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which reasonable persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rules which might make improper admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions, and irrelevant and unduly repetitious evidence shall be excluded. The hearing officer shall not be bound by technical rules of evidence. The hearing officer shall rule on the admission or exclusion of evidence.
 - f. Each party shall have these rights: To be represented by legal counsel or other person of his/her choice; to call and examine witnesses; to introduce evidence; to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination; to impeach any witness regardless of which party first called him/her to testify; and to rebut the evidence against him/her. If the grievant does not

testify in his/her own behalf, he/she may be called and examined as if under cross-examination. Oral evidence shall be taken only on oath or affirmation. A court reporter will be engaged to record the hearing, unless the parties (City, hearing officer, employee/employee representative) mutually agree that same is not necessary.

- g. The hearing shall proceed in the following order, unless the hearing officer, for special reason, otherwise directs:
 - i. The grievant shall be permitted to make an opening statement;
 - ii. The City shall then be permitted to make an opening statement;
 - iii. The grievant shall produce the evidence on his/her part; the grievant bears the burden of proof and burden of producing evidence;
 - iv. The City may then open its defense and offer its evidence in support thereof; the City bears the burden of proof and the burden of producing evidence for any affirmative defenses asserted;
 - v. The parties may then, in order, respectively offer rebutting evidence only, unless the hearing officer for good reason, permits them to offer evidence upon their original case;
 - vi. Closing arguments shall be permitted and written briefs may be permitted at the discretion of the hearing officer.
- h. The hearing officer shall determine relevancy, weight, and credibility of testimony and evidence. He/she shall base his/her findings on the preponderance of evidence. During the examination of a witness, all other witnesses, except the parties, shall be excluded from the hearing unless the hearing officer, in his/her discretion, for good cause, otherwise directs. No still photographs, moving pictures, or television pictures shall be taken in the hearing chamber during a hearing. The hearing officer, prior to or during a hearing, may grant a continuance for any reason he/she believes to be important to reaching a fair and proper decision. The hearing officer shall render his/her judgment as soon after the conclusion of the hearing as possible and in no event later than thirty (30) days after conducting the hearing. The opinion shall set forth findings of fact and conclusions.
- i. The hearing officer may recommend sustaining or rejecting any or all of the grievance.
- j. The hearing officer's opinion and recommendation shall be filed with the Human Resources Director, with a copy sent to the grievant, and shall set forth his/her findings and recommendations.
- k. Within sixty (60) days of the receipt of the hearing officer's findings recommendation, and transcript, the City Council shall adopt, amend, modify or reject the recommended findings, conclusions, and/or opinions of the hearing officer. Prior to making a decision which modifies or rejects the recommendation of the hearing officer, the City Council shall order and read the transcript of the hearing. Prior to making a decision which supports the hearing officer, the City Council may order and read the transcript, at its option. The City Council shall not conduct a de novo hearing. The City Council may, at its option, allow limited oral arguments and/or may request and review written statements from either side. The decision of the City Council shall be final and conclusive. Copies of the City Council's decision, including the hearing officer's recommendation(s) shall be filed where appropriate, including the grievant's personnel file.

- l. Each party shall bear equally the cost of facilities, fees and expenses of the hearing officer, including the court reporter and transcripts. Each party shall bear its own witness and attorney fees. If either party unilaterally cancels or postpones a scheduled hearing, thereby resulting in a fee charged by the hearing officer or court reporter, then the party responsible for the cancellation or postponement shall be solely responsible for payment of that fee. This process shall not apply to mutual settlements by the parties which result in an arbitration fee.
 - m. The provisions of Section 1094.6 of the Code of Civil Procedure shall be applicable to proceedings under this Section.
- 9. If the time limits for employees' appeals at any step should elapse, the grievance shall be considered withdrawn. Time limits may be extended by mutual consent. If the City fails to respond within the prescribed time limits, the grievance will be deemed to have been denied and the employee may go to the next step. If the City Manager fails to respond within the prescribed time limit, the grievance will be deemed to have been denied.
 - 10. The employee may request the assistance of another person of his/her own choosing in preparing and presenting his/her grievance at any level of review. In the event the employee desires the presence of a representative who is an employee of the City, he/she shall make such request through the supervisor and the supervisor shall make the necessary arrangements for the employee representative to be present.
 - 11. The employee and/or his/her representative may use a reasonable amount of work time as determined by the appropriate supervisor or Department Director in presenting the grievance. However, no employee shall absent himself/herself without first being excused by his/her supervisor.
 - 12. No employee shall be required to be represented by an employee organization in processing a grievance.
 - 13. Employees shall be assured freedom from reprisal for using the grievance procedures by both the City and the employee organization.
 - 14. The settlement terms of a grievance which is processed by an employee individually or by a recognized employee organization shall not conflict with the express provisions of a Memorandum of Understanding between the City and the formally recognized employee organization for such unit.
 - 15. A group grievance may be filed when one (1) set of circumstances or occurrences affects more than one (1) employee in the same manner or to the same extent. The group may file one (1) document which all members of the group have read and signed. Members of the group shall be limited to those who have signed the grievance. The resolution of a group grievance may not be consistent among all employees in the group grievance due to differences in the circumstances or occurrences that brought about the grievance.
 - 16. A group grievance affecting all members of an employee organization may be brought by the employee organization itself. In such case the procedure shall be commenced directly at the City Manager level within fifteen (15) days after authorized representatives of the employee organization knew, or by reasonable diligence should have known, of the condition giving rise to

the grievance and shall be subject to all applicable time limitations and the provisions set forth above.

Article 54. DEMOTION/NON-DISCIPLINARY

Regular Unit employees who are demoted due to layoff or other non-disciplinary reasons will be required to serve a new probationary period in the lower classification, provided they have not held regular status in the lower classification previously. While serving this new probationary period, the employee will retain due process rights and cannot be disciplined or terminated from City service without due process.

Article 55. LAYOFF PROCEDURE

- A. Should the City Manager determine reductions in force to be necessary due to lack of work or for financial reasons, he/she may initiate Layoffs. Classifications to be affected and the number of employees included will be determined by the City.
- B. In determining the order of Layoffs, a combination of factors shall be considered, including but not limited to: qualifications, productivity, general performance, seniority with the City of Redlands, seniority in job classification, and needs of the City. Variations from the order of Layoffs and recall from Layoff may occur when the City deems such variations appropriate under the circumstances.
- C. The factors the City, in its discretion, may use to determine include but are not limited to the following:
 - 1. An employee's last four performance evaluations, if any;
 - 2. Any history of employee commendations, awards, etc.;
 - 3. Any history of employee disciplinary action;
 - 4. Attendance record, including tardiness and unexcused absences;
 - 5. Safety record, including personal injury and damage to city property;
 - 6. Probationary and temporary employees shall be laid off before a regular employee in the same classification;
 - 7. Between two regular appointees in the same classification with the same skills, abilities, qualifications, merit and/or record, the employee with lesser seniority in the classification may be laid off first;
 - 8. Between two regular appointees in the same classification the employee with lesser skills, abilities, qualifications, merit and/or record than may be laid off first, without regard to seniority;
 - 9. Memoranda of Understanding ("MOU") between the City and affected bargaining units.
- D. **BUMPING**
 - 1. "Bumping" means the displacement of an employee from his/her position by an employee in a higher classification who formerly held the same position.
 - 2. Where two or more employees are laid off from the same position, the employee with the greatest seniority in that classification shall have the first opportunity to bump as set forth below.
 - 3. A laid-off employee shall be entitled to bump an employee in the same position previously held by the laid off employee. Alternatively, an employee may "bump" into a position in a different department which he/she held within the prior five (5) years. The laid off employee must be able to perform the essential job functions of the former position and possess the minimum

qualifications of the position as specified by the job classification specification. A laid-off employee shall not bump an employee with greater skills, abilities, qualifications, merit and/or record. Laid off employees may also be placed in a vacant lower classification for which they meet the minimum qualifications. Employees must utilize the option that places them in the highest available position.

4. The City will notify laid-off employees of any positions available for bumping. Following such notification, the employee must notify the Human Resources Director in writing of his/her intent to exercise the bumping rights within seven (7) calendar days, and the position and classification in to which he/she intends to bump. Failure to provide such notification will be deemed a waiver of bumping rights by the employee.
5. Where there is more than one employee in a position available for bumping, the factors in paragraph C of this Section will be used to determine which employee, if any, will be bumped.
6. The process will be repeated at the next classification level where an employee bumps in and creates an overage in that classification.
7. Any displaced employee shall be considered as laid-off for the same reason as the person who displaced them and shall in the same manner be eligible to displace another employee based on the criteria specified in paragraph C of this Section.

E. REINSTATEMENT FROM LAYOFF

1. The names of probationary and regular Unit employees who have been laid off shall be placed on appropriate reemployment lists. Such names shall remain thereon for a period of two years unless such persons are sooner reemployed.
2. When a reemployment list is to be used to fill vacancies, the Human Resources Director shall certify from such lists the number of names equal to the number of vacancies. An employee who is reemployed shall receive credit for former service for purposes of seniority, benefit compensation, and salary advancement.
3. Employees who, following layoff from a position or layoff from City employment may be reinstated upon the recommendation of the Department Director and with the approval of the Human Resources Director, to the position from which they were laid off based on their qualifications, availability, and the needs of the organization pursuant to this paragraph.
